NOVEMBER 12 - 22, 2015 | HIFF.ORG

VIOLATOR

A devastating typhoon is sweeping over the Philippines, slowly approaching Manila. As if they sensed the final judgment looming, some of the city's inhabitants behave in ways that are hard to explain. The intriguing mosaic of stories gradually leads us to a police station where the night shift is forced to wait out the forces of nature, while a new prisoner sitting in one of the cells appears to be connected to the mysterious powers concentrated in the storm.
